

The capacity: 1x20 ps /min

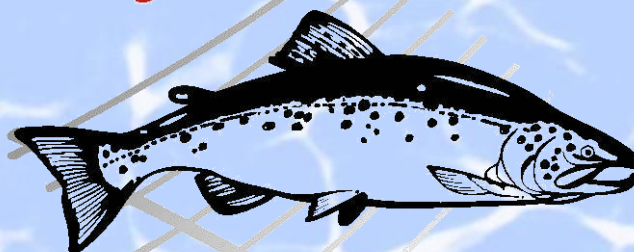

Belt- Type: Scanbelt S100 R

Air pressure: 9 l/min | 6 bar

Power: 1x230 V | 50-60Hz | 3 A

Water-pressure by the cleaning:
32 l/min | 2-3 bar

Kaj Olesen A/S

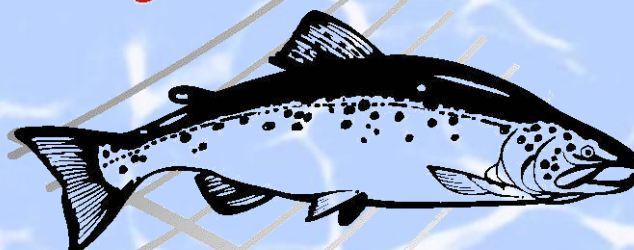

Filet Carousel

FC 100 is a fish turner, which can turn the fillets in a processing line from tail-end first to head-first or opposite, without using manpower, and therefore is it possible to save an operator between pin bone remover and a possible skinning machine, where the tail-end first is needed.
